25 January, 2008

This year, 2912 Sudbury Irish Royal Canadian Army Cadet Corps will be celebrating its 35th year, providing local youth with opportunities for management and personal development, work prospects, and the structure and training they need to become leaders within our community.

This exciting program is provided free of charge to the youth and their parents, and rely solely on Government funding, and fundraising from the community.

This year, in advance of our 35th Anniversary, former members of 2912 have gathered together to form an Alumni Association. This association's major directive is to raise funds and awareness towards this outstanding youth program. The association is attempting to give back to a program that has given them so much.

It is for this reason, that we respectfully request support from your organization. Your donations to the Association go towards helping one of the longest-standing youth programs in Canada. All funds raised by the association stay right here with the Sudbury cadet corps, and any donations or donations-in-kind over \$50.00 will allow us to write your organization a tax-deductible receipt from the corps. Your generous donations will also be announced through our Annual Inspection program booklet, where members of our community will be made aware of your support.

As part of our Reunion festivities, the Association will also be hosting a Charity ball and silent auction. Any donations for this auction would be greatly appreciated.

For more information, or to make a donation, please contact us at (705) 674-2769, or by email at deloye@vianet.ca.

Thanking you for your attention,
